Class Dojo

Make sure to sign-up for Class Dojo. It is free app that we use to monitor your child's behavior and share pictures of what's going on in our class. You will always be connected to our class and communicate with your child's teacher.

Attendance

Please be mindful that your child can not learn and will not meet his/her full potential if he/her is not present and/or at school on time. Please notify the school if your child will be absent for two or more consecutive days. Students who are frequently absent and tardy will be reported to truancy.

Ear Buds/Head Phones:

This year each classroom has a chrome cart and every student will have access to a chrome book. All students will need to bring in a pair of earphones or ear buds. This item is on the school supply list. If your child has yet to bring it in their ear buds/ear phones please do so immediately.
